Charge:

- Number 1** Select a primary site and a back-up site for the 2007 ATA Midyear Meeting. If possible, these sites should be selected from the list of cities approved by the Trustees at the August 2003 meeting. These cities were the highest ranked cities from the membership survey conducted in 2003.
- Number 2** Coordinate with the 2004 Midyear Planning Committee to ensure that a wide selection of potential sites are included in the 2004 Midyear evaluation form.
- Number 3** Report the selection to the President and the Board of Trustees by their August 2004 meeting. The Board will then approve the selection by a majority vote. If the selection is not approved, it will be sent back to the committee. The committee will then submit another site for the Board's approval.
