

Vaughan Radcliffe
Associate Professor

Vaughan Radcliffe is Associate Professor of Managerial Accounting and Control at the Richard Ivey School of Business. Before joining Ivey he was a faculty member at Case Western Reserve University in the United States. His PhD was completed at the University of Alberta, Canada.

Vaughan has worked on a variety of topics in research including the development and operationalisation of efficiency auditing in the public sector; the development of professional bodies and their responses to professional regulation; and the development of new areas of accounting practice. His current research interests include the strategic plans developed by professional bodies of accountancy in Canada, the U.S., and elsewhere.
