

Sponsor-a-Student

Student membership in the American Accounting Association (AAA) starts at just \$50 for one year. We invite you to introduce your students to the Association and all of the benefits that membership provides by covering their costs of membership for one year!

Student Members Receive:

- Electronic access to the three Association journals (*The Accounting Review, Accounting Horizons*, and Issues in Accounting Education), as well as most Section journals (See the AAA website for the full list of available journals). All online journals are searchable and downloadable from the Digital Library. Print copy options for *The Accounting Review, Accounting Horizons*, and *Issues in Accounting Education* are priced separately.
- The option to join one or more of 16 AAA Sections, which includes informational emails.
- Discounted student registration pricing for most Association meetings, including Doctoral Consortia at Section Meetings.
- Access to AAA's Career Center at the Annual Meeting (meeting registration required) and yearround access to the AAA online Career Center where they may post one free resume per year.
- Networking opportunities at meetings such as the Accounting PhD Rookie Recruiting & Research Camp, Doctoral Consortia, the AAA Annual Meeting, and Section & Region meetings held throughout the year.
