

GLOBAL MANAGEMENT ACCOUNTING RESEARCH SYMPOSIUM (GMARS)

A Research Symposium That Rotates Annually Around The World:

Copenhagen Business School
Michigan State University
University of New South Wales

GMARS aims to promote a “global village” of management accounting research by bringing together a diverse set of the highest-quality research papers, plenary speakers, and researchers from around the world.

GMARS will provide a broader appreciation and understanding of the many theoretical perspectives and research methods that are used to study management-accounting practices.
