

## **2005 ATA Mid-Year Meeting March 4 – 5, Washington, DC**

Thanks to a generous gift from the Ernst & Young Foundation, the ATA will again be able to partially fund travel for accounting doctoral students interested in tax to the ATA Mid-Year Meeting. Students may apply by sending a letter of application via email to Dr. Cynthia Blanthorne at the University of North Carolina at Charlotte ([cblantho@email.uncc.edu](mailto:cblantho@email.uncc.edu)) no later than January 16, 2005. The letter should indicate what doctoral program the student is in, how long he/she has been in it, what the student's teaching/research interests are, and estimated cost of attending the meeting (provide details on air fare and hotel costs). The maximum grant is \$500.
