

Lean Accounting Summit Faculty-Student Scholarship Program

AME™ Sponsored by the Association for Manufacturing Excellence

Announcing the 4th Annual Lean Accounting Summit Faculty-Student Scholarship Program

The Association of Manufacturing Excellence is offering a unique opportunity for accounting faculty who want to learn more about lean accounting concepts for curriculum development and/or research purposes. The program is designed to provide funding for a faculty/student pair to attend the Lean Accounting Summit (www.leanaccountingsummit.com) in Las Vegas, Nevada on September 21-22, 2010. The Lean Accounting Summit seeks to foster the discussion of how today's modern, lean enterprise requires an update to traditional accounting practices.

The scholarship, valued at a combined \$3990, is designed to:

- Provide a complementary registration to the Lean Accounting Summit (\$1,495 each) for one faculty member and student.
- Provide travel grants up to of \$1,000 for each faculty/student pair to assist with travel and hotel accommodations.

To **apply for a scholarship**, please prepare a letter of application (not to exceed two pages) addressing each of the following items:

1. Full contact information including position title and academic affiliation.
2. Description of how you will select a student to accompany you and explain how you believe the student will benefit from attendance.
3. A brief description of your teaching responsibilities including an explanation of how lean accounting concepts can be integrated into your courses.
4. A summary of any current or potential research projects related to lean accounting.

Applications are **due by June 15, 2010**. Scholarship recipients will be **notified the week of July 19, 2010**.

**The scholarship program is only available for faculty who plan to attend the conference with a student from their institution.

Please send letters of application or questions to:
