

CALL FOR PAPERS

Financial Accounting and Reporting Section American Accounting Association 2010 Midyear Meeting January 22-23, 2010

We are pleased to announce that the 2010 Midyear Meeting of the Financial Accounting and Reporting Section (FARS) will be held in San Diego, CA, at the Westin San Diego, 400 W. Broadway, San Diego, CA 92101; Phone: (619) 239-4500 on Friday and Saturday, January 22-23, 2010.

In organizing the FARS Midyear Meeting, the Section decided that two objectives should be achieved: (1) the conference should be open to and serve all members of the section, and (2) a special effort should be made to provide opportunities for doctoral students and assistant professors with interests in financial accounting and reporting. As a result, the Section strongly encourages submissions that have been authored (or co-authored) and will be presented by assistant professors or doctoral students. **To indicate that a submission meets this criteria, please include an asterisk (*) at the end of the title of the paper.**

The deadline for submission is Wednesday, September 9, 2009. A submission fee of \$50 is required. Papers must be submitted electronically through the SSRN conference management system at <http://hq.ssrn.com/conference=AAA-FARS-2010>. A blind review process will be used in selecting research papers to be presented at concurrent sessions during the conference. Acceptance decisions will be announced by December 1, 2009.

Individuals interested in **volunteering** to review papers or serve as a session discussant are encouraged to do so using the "Volunteer for the Conference" link on the SSRN Submission page (see url above).

To complete a submission, you will need the following information:

- There is a submission fee of \$50 U.S. payable via Mastercard, Visa, Discover, or American Express
- Abstract (maximum of 150 words)
- Two versions of the paper in PDF format, one version that includes author information ("named" file) and one version that does NOT include author information ("blind" file)

- Names, contact information (email and postal addresses, voice and fax numbers), and affiliations for all authors not already in the SSRN database
- Name of contact author

COPYRIGHT AND DISTRIBUTION RIGHTS

During the submission process, you will be asked whether you hold the copyright for the submission, or sufficient rights, to submit the abstract (and full-text paper if submitted) to SSRN. You **MUST** select "Yes" to complete your submission. Answering "Yes" to this question allows SSRN to make the paper available to reviewers and conference coordinators. It will **NOT** make the paper or abstract available to the entire SSRN community.

SUBMITTING AUTHOR MUST CHANGE STATUS

If the person submitting the paper (the "submitter") is also an author of the paper, the submitter must change his/her status to "author" during the submission process.

For technical assistance with the submission process, contact SSRN at 877-SSRNHelp (877.777.6435) or usersupport@ssrn.com
