*"Hockey great Wayne Gretzky advises that we need to go where the puck will be, rather than going to where the puck is now. Similarly, to become a great forensic accountant, you need to join and participate in the many valuable FIA activities."

D. Larry Crumbley
Louisiana State University

Forensic accounting issues are important to everyone in the AAA, for we all have a vested interest in enhancing the quality of the forensic and fraud education of accounting students. This section provides a forum that cuts across disciplines, specialty areas and geographic boundaries. As Gordon Brown said, "What the use of finger prints was to the 19th century and DNA analysis was to the 20th, forensic accounting will be to the 21st century."

The FIA Section enables members to share their experiences, providing opportunities for linkage between large and small schools, educators and practitioners, and members worldwide. Use the attached form to apply for membership in the FIA (you must also be a member of the AAA). Mail your application to AAA headquarters (5717 Bessie Drive, Sarasota, FL 34233-2399). Join today and become better connected to your colleagues and your profession.
