

Concurrent Panel Sessions 3A – Taxation

Issues in Tax & Ethics

Moderator: Paul A. Shoemaker. **University of Nebraska**

Panelists:

Allen Ford, **University of Kansas**

Ronald R. Bottin, **Missouri State University**

Sandra D. Byrd, **Missouri State University**

David B. Byrd, **Missouri State University**

Ronald R. Bottin, **Missouri State University**

Gregory Carnes, **Lipscomb University**

Mary Margaret Frank, **Darden at University of Virginia**

Paul A. Shoemaker, **University of Nebraska**

This session should appeal to all educators interested in ethics, service learning, using cases in the classroom, generating discussion in the classroom, and the integration of topics with only the last session being highly tax-specific. The primary focus is on how to increase students' awareness of ethical standards, develop a decision making framework for evaluating ethical dilemmas; enhance student development and marketability by participating in a successful public service tax clinic; and increase student interaction within your classroom
