

***Accounting Horizons* Announces New Editorial Review Team**

On behalf of *Accounting Horizons* and the American Accounting Association, incoming Co-Editors Paul Griffin and Arnold Wright are pleased to announce that the following individuals have graciously agreed to serve as Associate Editors or members of the Editorial Advisory and Review Board, effective June 1, 2012. While the new editorial team reflects the same strengths as in the past, the membership has also been broadened to reflect expertise in major areas of accounting, emerging issues, and topics of international concern. Professors Griffin and Wright wish to express their sincere gratitude to each member of the incoming editorial team.
