American Accounting Association
2009 Journal Information and Subscription Rates
Journal of International Accounting Research

Volume 8 - 2009

Print ISSN: 1542-6297 | Electronic ISSN: 1558-8025

Publishes articles that increase our understanding of the development and use of international accounting and reporting practices or attempt to improve extant practices. International accounting is broadly interpreted to include the reporting of international economic transactions; the study of differences among practices across countries; the study of interesting institutional and cultural factors that shape practices in a single country but have international implications; and the effect of international accounting practices on users. Published semi-annual.
