

# Accounting Position Announcement

The College of Business at **The University of Tampa** has a tenure track position in **managerial accounting** available in August, 2005 at the **rank of Assistant/Associate Professor**. A visiting appointment will also be considered. The position requires a completed (or near completion) doctorate degree in Accounting. Candidates should have a commitment to excellence in teaching and a commitment to student involvement. Applied research, especially in teaching, is highly valued.

Successful candidates will embrace a dynamic campus with an emphasis on new economy enterprises. The College of Business prides itself on its close relationships with the business community. Tampa offers a high quality of life complete with big city amenities coupled with a unique accessibility and attractive cost of living.

The College of Business is AACSB accredited and employs 48 full-time faculty. It includes three Centers; Ethics, Leadership, and Quality. There will be additional initiatives this year in entrepreneurship and new venture creation. The College occupies the new state of the art John Sykes College of Business Building housing the College's 1,425 undergraduate and 430 MBA students.

The University of Tampa is a medium-sized comprehensive, private University that delivers challenging and high-quality educational experiences to a diverse group of learners. Located in the heart of one of the most dynamic commercial and cultural regions of Florida, the University has been providing the education, training, and leadership skills to the Tampa Bay community through unique partnerships with business, government, the arts, and cultural entities for 70 years. The minarets of the University's main campus building are Tampa's most recognized symbol and part of its identity. The University offers over 60 undergraduate majors and minors in a residentially based educational experience, as well as three graduate degree programs. The University has a distinction for teaching excellence, a commitment to an international focus, and practical, experiential approach to learning. The University is growing and enrolls about 4,400 students from 48 states and 77 countries.
