The Final Case of the Conference will be a Hand's on "Viz-a-Thon"

Presenter: Margaret Shackell, Ithaca College

Purpose:

To expose faculty to the ease with which they can add an analytics component to existing courses.

Prep:

1. Read this quick blog about Tableau's Iron Viz competition
   https://www.tableau.com/about/blog/2017/10/explore-viz-reigned-supreme-iron-viz-2017-77497
2. Load Tableau on your computer. Academics can get a free license. Please do this at least 3 days in advance of the conference so that you know that it is working on your machine.
