What is the CTLA?
Held prior to the AAA Annual Meeting, the Conference on Teaching and Learning in Accounting combines a hands-on teaching and technology clinic, mentoring by experienced faculty, and strategies for staying current on emerging topics in accounting.

*Schedule subject to change

Teaching Concurrent Sessions, Roundtables, and Poster Talks/Demonstrations
Participants will have the choice of several sessions including 50 minute interactive sessions, 20 minute teaching tip roundtables, and TED talk-like 10 minute poster talks/demonstrations. Topics include motivating and facilitating learning, best practices in teaching, improving critical thinking skills, assessing student learning, and course-specific innovations. These sessions provide participants with the opportunity to collaborate with and learn from colleagues.

Technology Concurrent Sessions, Roundtables, and Poster Talks/Demonstrations
Participants will have the choice of several sessions including 50 minute hands-on sessions, 20 minute technology tip roundtables, and TED talk-like 10 minute poster talks/demonstrations. Topics include integrating leading-edge technology
practices and tools, incorporating data and analytics skills, designing and using technology-based learning activities, and course-specific innovations. These sessions provide participants with the opportunity to collaborate with and learn from colleagues.

Registration for CTLA will open when AAA Annual Meeting Registration opens in early April, 2020. Space for this popular conference is limited.

Visit: http://aaahq.org/Meetings/2020/Annual-Meeting/CTLA for updates on registration, the program and submissions.
