

Call for Nominations

Outstanding International Accounting Educator Award

The International Accounting Section of the American Accounting Association invites nominations for its Outstanding International Accounting Educator Award. The general selection criteria are as follows:

The award is presented to an individual who has made a substantial contribution to international accounting education through scholarly endeavors in research and teaching over a sustained period of time — through publications, educational innovation, research guidance to students, active involvement in the activities of international professional and academic organizations and serving as an example to others in promoting international accounting education.

The award recipient will be honored with a plaque at the Section's annual meeting luncheon. A sketch of his or her accomplishments will also be included in the Section's newsletter, *Forum*.

The DEADLINE for nominations is February 28, 2019.

Please submit nomination materials and documents, along with the *curriculum vitae* of your nominee to:

Sudipta Basu
Professor of Accounting
Temple University
Sudipta.Basu@temple.edu
215-2040489
