Call for Nominations – 2019 Lifetime Contribution to Management Accounting Award

Nominations are being solicited for the 2019 Management Accounting Section Lifetime Contribution to Management Accounting Award, sponsored by the Association of International Certified Professional Accountants. The purpose of the award is to recognize individuals who have made significant contributions to management accounting education, research and/or practice over a sustained period of time through scholarly endeavors, teaching excellence (including educational innovation and mentorship of students), and/or service to the Management Accounting Section and/or related professional organizations. Through bestowing this award, the Section recognizes the recipient as a role model for current and future management accounting scholars. This award will normally be given every year, based upon the availability of eligible candidates.

Since the purpose of the award is to recognize lifetime contributions in the field of management accounting, eligibility is not restricted to academics. However, a member of the American Accounting Association and the Management Accounting Section is preferred. Current members of the Lifetime Contribution to Management Accounting Award Committee and the Management Accounting Section Executive Committee are ineligible for the award.

Nomination of a candidate is confidential. Anyone wishing to nominate a candidate for the award should submit a letter nominating the candidate, any supporting materials such as letters from other supporters of the candidate and, where possible, a current Curriculum Vitae. Nominations submitted or updated within the past three years will be considered along with nominations submitted this year. Hence, updates to previous nomination packages are welcome. The closing date for nominations is September 1st 2018. The award will be presented at the Midyear Meeting of the Management Accounting Section in January 2019.

Prior award winners are listed on the Section’s website.

Materials should be sent by September 1st 2019 to the Chair of the Award Selection Committee: Monte Swain
520 TNRB, Brigham Young University
Provo, UT 84602
