

Policies and Procedures

Title: Policy on Dissemination of Meeting Papers

Code: PUB-003

Date: May 29, 2012

Approved: March 2002, Amended March 2012

Policy Statement

A section or region may make the full text of papers selected for their meetings available to attendees and others on the AAA website (or other equivalent site).

- These papers should be clearly labeled as working papers and the copyrights to papers should remain with the authors.
- The selection process should not be referred to as refereeing.
- The posting of working papers to the meeting site should be done only with the author(s)' permission.
- Within 60 days after the end of the meeting, the links to the full text of the papers should be withdrawn.

Rationale

When this policy is complied with, it is the AAA's position that the papers have not been "published" and are eligible to be considered for publication in refereed journals.
