Call for Papers

Call for Papers - ISAR 2024
28th Annual International Symposium on Audit Research

The 28th Annual International Symposium on Audit Research (ISAR) will be hosted by Isenberg School of Management, University of Massachusetts Amherst on 29–30 June 2024 at the Hilton Boston Park Plaza in Boston USA.

Call for Papers

We invite you to participate in the 28th ISAR. The scope of ISAR is broad and includes research papers and panels that deal with all aspects of auditing and assurance. Papers that utilize any of a broad range of research methodologies will be considered.

Submission Information & Guidelines

Papers and, where applicable, related research instruments, should be submitted electronically in Adobe Acrobat or Word formats through our online paper submission link below by **4 February 2024**.

Submitted papers should follow the style guidelines of Auditing: A Journal of Practice & Theory. Please pay particular attention to the format and length requirements - the body of the manuscripts should not exceed 7,000 words or approximately 20–25 double-spaced pages. Submitted papers should include an abstract and a title page containing the paper's title and authors' names and affiliations. Accepted papers will be made available to participants before the conference but will not be published in formal proceedings and thus may be submitted to any appropriate journal for publication.

Online Paper Submission:

Please submit papers here.
(If you encounter any technical problems with the Paper Submission System, please email us at isar@ntu.edu.sg)
