Journals/Periodicals (non-AAA) – Accounting

- **Abacus** (Since 1965 Abacus has consistently provided a vehicle for the expression of independent and critical thought on matters of current academic and professional interest in accounting, finance, and business.)
- **Accounting, Auditing & Accountability** Journal (an interdisciplinary accounting research journal publishing investigations of accounting, auditing and accountability issues and their impacts on policy, practice, and society.)
- **Accounting, Organizations and Society** (a leading international interdisciplinary journal concerned with the relationships among accounting and human behavior, organizational and institutional structures and processes, and the wider socio-political environment of the enterprise.)
- **Contemporary Accounting Research** (the premiere research journal of the Canadian Academic Accounting Association, publishes leading-edge research that contributes to our collective understanding of accounting’s role within organizations, markets or society.)
- **CPA Journal** (a publication of the New York State Society of CPAs, and is internationally recognized as an outstanding, technical-refereed publication for accounting practitioners, educators, and other financial professionals all over the globe.)
- **Critical Perspectives on Accounting** (a forum for the growing number of accounting researchers and practitioners who realize that conventional theory and practice is ill-suited to the challenges of the modern environment, and that accounting practices and corporate behavior are inextricably connected with many allocative, distributive, social, and ecological problems of our era.)
- **European Accounting Review** (EAR is an international scholarly journal of the European Accounting Association (EAA).)
- **International Journal of Critical Accounting** (IJCA is a peer-reviewed international journal publishing high quality, original manuscripts concerned with critical accounting and related issues.)
- **International Journal of Economics and Accounting** (IJEA promotes academic debates on the status quo, aiming to bridge disciplines, theory, and practice.)
- **Journal of Accounting, Auditing & Finance** (JAAF is committed to publishing high quality studies in accounting and related fields. Papers on accounting issues relating to developing in other fields such as finance, economics, and operations are also welcome.
- **Journal of Accounting and Economics** (provides a forum for the publication of the highest quality manuscripts which employ economic analyses of accounting problems.)
- **Journal of Accounting and Public Policy** (publishes research papers focusing on the intersection between accounting and public policy.)
- **Journal of Accounting Research** (a general-interest accounting journal.)
- **Journal of Business Finance & Accounting** (publishes high quality research papers in accounting, corporate finance, corporate governance and their interfaces.)
- **Journal of International Financial Management & Accounting** (publishes original research dealing with international aspects of financial management and reporting, banking and financial services, auditing, and taxation.)
- **Journal of Theoretical Accounting Research** (a publishing outlet for academics who either choose not to include testing as part of their paper or whose papers do not need testing to be complete.)
- **Scholarly Electronic Publishing Bibliography** (presents selected English-language articles, books, and other printed and electronic sources that are useful in understanding scholarly electronic publishing efforts on the Internet.)
