

WELCOME BACK

KNOW BEFORE YOU GO

We are looking forward to welcoming you to the Hyatt Regency Orlando International Airport!

The safety and well-being of our guests and colleagues is always our top priority.

In light of COVID-19 we have implemented the following changes for your health, safety and enjoyment:

FACE MASKS

Face masks are not required for guests & colleagues throughout the hotel & public areas. It is also recommended in the meeting/event spaces, when unable to socially distance. While some of our smiles will be hidden, please know we are thrilled to welcome you. If you should need a mask, we are happy to provide one.

SOCIAL DISTANCING

Social distancing is suggested when possible in public areas and event spaces. Safe social distancing is strongly encouraged by maintaining 6 feet from one another.

COLLATERAL & SIGNAGE

In an effort to ensure your safety, the hotel has strategically placed signage, floor decals, plexi-shields and implemented various initiatives to provide comfort and ease during your stay.

HYGIENE

Colleagues will continue to practice proper hygiene procedures including frequent hand washing, use of alcohol based hand sanitizer, and additional PPE usage where applicable. There will also be hand sanitizer stations placed throughout the hotel for all guests and staff.

GUEST ELEVATORS/STAIRS

Elevator button panels are disinfected at frequent intervals. We will be limiting travel in elevators to 2 guests per trip or encouraging travel with your family only.

Staircases to guest room corridors will be accessible with room keys, for alternate route to and from ballroom space.

GUESTROOMS

For your privacy and comfort, daily housekeeping service will be available upon request only from 8:00am-4:30pm. For options, please schedule ahead, as we only enter vacant guest rooms.
