Special Topic of Journal of Governmental and Nonprofit Accounting Research

Special Topic: Survey Articles and Literature Reviews

Deadline for manuscript submissions: August 31, 2022

The *Journal of Governmental and Nonprofit Accounting* calls for submissions of survey articles and literature reviews concerning any substantive area of governmental and nonprofit accounting for a special topic section to be published in an annual issue of the journal. Our goal is that these articles become reference works for the field and a source for readers concerned with the development and course of GNP literature in accounting research.

We encourage a wide range of topics and hope to receive articles concerning a breadth of GNP literature. All submissions should offer ideas for future research to fill the gaps in the literature that emerge from the reviews.

Articles should conform to the posted submission and length guidelines for standard JOGNA submissions, which can be found here: <https://aaahq.org/Research/Journals/Section-Journal-Home-Pages/Journal-of-Governmental-Nonprofit-Accounting>

Submissions are due by August 31, 2022. Earlier submissions are welcome and will be put into the review process. Please submit your manuscript for this special topic via the journal's normal submission process at <https://www.editorialmanager.com/jogna/default.aspx>. Indicate in the opening paragraph of the letter to the editor accompanying the submission that your piece is for the special topic section on survey articles and literature reviews.

Inquiries may be made to Vaughan Radcliffe (Editor) at vradcliffe@ivey.ca or Tom Vermeer (Associate Editor) at vermeer@udel.edu .
