

From Hilton Boston Logan Airport

The best way to get to PwC is the Silver Line. During rush hour Uber will almost certainly take longer, although the Silver Line is a bus and does get stuck in traffic too, just not quite as bad.

Walk to Terminal A from the 2nd floor of the Hilton following the signage for Terminal A. The walk is entirely indoors.

At Terminal A, go to Ground Transportation and look for signage for MBTA Silver Line. (SL1) It's easy leaving Logan as there is only one bus to pick up from and it is free. Take the bus to Courthouse Station. At street level on Seaport Blvd, head toward CVS, greenspace, and Starbucks (see map)

Marked up map:

For anyone staying elsewhere, they can take the subway, Amtrak, or a bus to South Station and from there either walk the 0.7 mile (it's a nice walk) or take the Silver Line to Courthouse.
