Experience

Todd is a Partner in Deloitte's Business Tax Service Group in McLean, Virginia. Todd has more than 24 years of experience all spent in the Deloitte Greater Washington tax practice. He is the Office Tax Managing Partner for Greater Washington. As tax Managing Partner of Deloitte's Greater Washington practice, I bring 24 years of experience serving clients in a variety of industries including technology, government contracting, hospitality, and life sciences/health care. In my current role, I have the privilege of overseeing more than 325 Deloitte professionals across Washington, DC, Virginia and Maryland. My responsibilities include overseeing deployment of talent initiatives, strategic deployment of resources, and broader marketplace activities.

In my client service role, I have extensive experience assisting clients in a variety of US and global tax areas, including tax research and analysis, tax planning, accounting for income taxes, tax technology and compliance. He has led many large compliance engagements. He also has extensive experience working with clients in aerospace & defense, primarily on the service side, software industries, media and telecommunications, and hospitality.
