

**Innovating audit
quality for a
stronger financial
future.**

— Kelly D. Salter
KPMG, Managing Director

Kelly D. Salter

Strengthening trust, one audit at a time.

Kelly Salter is building the firm's resources to operationalize, monitor and enhance audit quality during her current rotation with the Department of Professional Practice. She will bring this expertise back to her service line starting in January 2026.

Ms. Salter has more than 10 years of progressive experience performing Chief Financial Officers Act of 1990 (CFO) Act audits and audit readiness examinations to Federal agencies and currently on rotation to the Department of Professional Practice. Additionally, she has more than 5 years of experience performing financial statement audits for commercial entities. As a managing director, Ms. Salter obtains an understanding of the client's business processes and internal controls. She provides insights on leading industry practices. She determines the most efficient and effective methods to complete required procedures to include controls and substantive based procedures while adhering to the contractual requirements, requisite accounting and auditing standards, and other applicable standards or guidance issued by the profession and industry.
