

Some General Travel Tips

Traveling from Boston Logan Airport

In terms of transportation - when flying into Boston Logan three basic options are:

1. **Car:** From Boston Logan Airport, you can rent a car. This is the best option if you want to explore the greater Boston and New England (e.g., Portsmouth) area. The distance from Boston Logan Airport to UNH's campus is approximately 60 miles.
2. **Bus:** From Boston Logan Airport, you can use the C&J bus system to get to Portsmouth NH (est. \$27). Then you can take a quick (approx. 15 minute) taxi/uber to the Holiday Inn Express which is walkable to U. New Hampshire's campus. Link to C&J Bus services is: [Bus Service to Boston, Logan Airport & NYC from Portsmouth, NH | C&J](#).
3. **Train:** From Boston Airport, you can use the public transit [Logan Airport | Destinations | MBTA](#) to go to the Amtrak Train system (via North Station in Boston). The train travels directly on U. New Hampshire's campus. [Durham - Amtrak Downeaster](#) (est. cost \$22 - 25). The Holiday Inn Express is a short walk (less than 10-15 minute) from the train station.

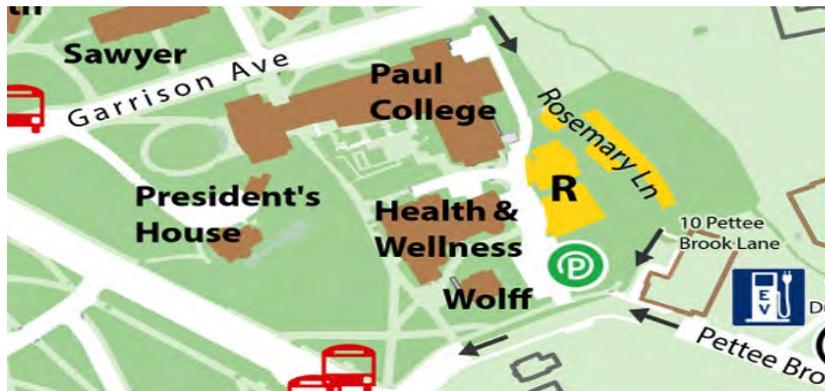

General Parking at University of New Hampshire

Conference Location: Paul College of Business & Economics, 10 Garrison Avenue, Durham, NH 03824-2341

There are many parking options available on campus.

- ParkMobile is a useful app that can be downloaded on your smartphone device to pay for parking.
- **ParkMobile Zones** recommended below have different payment requirements (i.e. different times in which you have to pay the meter) so we suggest checking the kiosk/app in each specific zone.
- You can also view the [UNH parking map](#), blue areas denote visitor parking lots, which require payment.

Handicap Info:

The AAA GNP Conference is to be held in the Great Hall at Paul College. Please reference the attached image, in which the building is marked with a star. The image also shows (in lime green) some handicapped parking options that aren't terribly far from the building.

Here are some options:

Option 1 – This spot is at the rear of Paul College. Enter towards Paul College/Health Services off of Pettee Brook Lane & the spot is up on the left, against Health Svc building.

Option 2 – There is a handicap area if you turn down Ballard Street, off of Garrison Ave. It is located next to the first driveway you come across on your left.

Option 3 – If you proceed down Ballard Street, off of Garrison Ave, and take the first driveway on your left, that will bring you to a small parking lot, which has a few handicap spots.
