

Joseph A. Silvoso Faculty Merit Award
Sponsored by KPMG and the Leadership Section

Leadership in
Accounting Education

Overview

The Joseph A. Silvoso Faculty Merit Award honors Joseph A. Silvoso for his pioneering work in the movement to develop Schools of Accountancy and the founding of the Federation of Schools of Accountancy (a legacy organization of the Leadership in Accounting Education section). The Joseph A. Silvoso Faculty Merit Award recognizes outstanding contributions by a faculty member in an accounting program to student and accounting program development.

The Leadership in Accounting Education Section Awards Committee will review nominations and select the awardee. KPMG generously supports a \$2,500 award for the winner. Awardees will be recognized at the Leadership in Accounting Education Seminar in February.

Criteria

The Awards Committee will assess nominations with respect to their evidence of the nominee's:

- Impact on student development
- Impact on accounting program development
- Activities of a nature that exceed those normally expected of faculty members

To Nominate a Colleague

Please submit a single pdf document that includes the following:

- a. Name of nominator and their institution
- b. Name of the nominee and their institution
- c. A description of the faculty member's impact on student development, program development, or activities of a nature that exceed those normally expected of faculty members
- d. Supporting materials (e.g., letters of support or examples of resources or content)
- e. Any other material you believe the committee will find decision-relevant. You may include links to videos or web-based materials in the pdf.

Please submit your materials in a SINGLE PDF document here: [Joseph A. Silviso Faculty Merit Award submissions](#). Use the naming convention *FirstName_LastName.pdf*.

All materials should be submitted by October 1, and awardees will be announced in February. For any questions, please contact Sharon Lassar at sharon.lassar@du.edu.

We look forward to reviewing the many contributions of our faculty colleagues to student and program development and in joining KPMG in honoring Joseph Silviso for his many contributions to accounting education.
