A MESSAGE FROM THE PRESIDENT

SUMMER 2009

Greetings to Members of the FIA Section:

The American Accounting Association has approved our new Forensic and Investigative Accounting Section. I was able to obtain more than 500 signatures.

A by-laws committee has worked on a set of by-laws, and I hope to have our first meeting on Wednesday morning, August 5, 2009 in New York City. The AICPA has agreed to sponsor our breakfast. Our speaker shall be Ramona R. Farrell, Ueltzen & Company, who will present results of a survey related to the core of a forensic accountant.

Please see the suggested by-laws.

We now need a budget, so I hope you will forward \$15 dues to the AAA headquarters (made out to the American Accounting Association - FIA section). Do not send them to me. Dues will be applied to the 2009-2010 year. You must be a member of the AAA to be a FIA member.

Thank you,
