

MAS GLOBAL SCHOLARS PROGRAM

The MAS Global Scholars Program is back in 2026. This program connects management accounting PhD students across the world to experienced academics. The program aims to facilitate knowledge exchange, enhance research outcomes, and provide guidance and support for the next generation of management accounting scholars.

Program details:

- Open to all international doctoral students who have completed at least one full year of doctoral study.
- Four mentoring sessions of up to 45 minutes each over one year.
- First session in September 2026.
- Mentees and mentors matched based on research topic and method.
- Mentees can apply for a scholarship to attend the AAA MAS 2027 Midyear Meeting and Doctoral Colloquium if facing financial hardship

Applications are now open for both mentors and mentees at the following link:

PhD students do not need to be a MAS member to apply. Mentees accepted into the program will need to join the AAA MAS as a student member, but can apply for one-year fee waiver if suffering from financial hardship.

Deadline: ***Monday June 1st 2026.***
