Dear Bill:

By now, you have undoubtedly received Tom Dyckman's March 22 letter informing you that the Management Accounting Section was approved by the Executive Committee at its meeting in Chicago. I will include a statement of that action in a future issue of Accounting Education News and schedule a time for your business meeting on Monday morning, August 16.

I am also pleased to inform you that one fellow got carried away and has already sent us \$10.00 to cover his membership dues in the Management Accounting Section. Accordingly, I suggest that you consider pegging your dues at \$10.00 when you hold your business meeting in August. We have decided to keep the fellow's \$10.00 and apply it as payment for his 198~~5~~ dues, which will be listed on the dues bills we send to our members in October.

Please do not hesitate to call me if you have any questions.

Very truly yours,

AMERICAN ACCOUNTING ASSOCIATION
